

Service Provider – Application for new registration

Section 21 of the Water Supply (Safety and Reliability) Act 2008

Queensland
Government

Important information for applicants – Information requested in this form is required to enable your application for registration as a service provider to be assessed in accordance with the *Water Supply (Safety and Reliability) Act 2008* ('the Act') and relevant subordinate legislation and guidelines. Please note that if the regulator decides to register the applicant as a service provider, registration takes effect the day the regulator registers the applicant under the Act. Before submitting this application, applicants should understand the requirements of the Act and associated subordinate legislation and guidelines.

Privacy notice – Personal information on this form is being collected for the purpose of assessing your application for registration as a service provider under the Act. Your personal information will not be otherwise disclosed to any other parties without your consent unless authorised or required by law, such as under the *Right to Information Act 2009* or the *Evidence Act 1977*. The regulator must publish a list of entities registered as service providers on the department's website. Further information about privacy is available on the department's website: www.dnrme.qld.gov.au.
