

# Notice of completion of seismic survey or scientific or technical survey

*Petroleum and Gas (General Provisions) Regulation 2017,  
Geothermal Energy Regulation 2012*  
Form Number PA-22A Version Number 4

Mines ABN 59 020 847 551

Further information and copies of forms can be obtained from the department or from the internet:  
<https://www.business.qld.gov.au/industries/mining-energy-water/resources>

Note: Pursuant to section 813 of the *Petroleum and Gas (Production and Safety) Act 2004* and section 332 of the *Geothermal Energy Act 2010*, a document containing information that is false or misleading may attract a maximum penalty of 500 penalty units.

Please print clearly in ink and use block letters. If there is insufficient space, use attachments.

**The original of this should be forwarded to the Department within 10 business days after the completion date of the survey. A copy of this notice must be served on each landowner and occupier at least 10 business days after the completion date of the survey.**

**1. Indicate the type and number of the permit the survey was conducted within or, for a data acquisition authority, the petroleum tenure to which the data acquisition authority relates:**

1.0	Tenure type:		1.1	Tenure number:	
-----	--------------	--	-----	----------------	--

1.2	Principal holder name:	
-----	------------------------	--

**2. Survey details:**

2.1	Type of survey:	
-----	-----------------	--

For example, seismic, geophysical, geochemical, geotechnical, aerial etc.

2.2	If seismic survey 2D or 3D:	
-----	-----------------------------	--

2.3	Operator name:	
-----	----------------	--

2.4	Identifying name or code for the survey:	
-----	--	--

2.5	Actual date of commencement:	
-----	------------------------------	--

2.6	Actual date of completion:	
-----	----------------------------	--

2.7	Line Spacing (magnetics)	
-----	--------------------------	--

2.8	Station density (gravity):	
-----	----------------------------	--

2.9	Area (km sq) or line km (where applicable)	
-----	--	--

2.10	Energy Source (where applicable):	
------	-----------------------------------	--

2.11	Gravity Meter (where applicable):	
------	-----------------------------------	--

### 3. Local tenure contact details

3.1 Provide the contact name and details of the tenure holder or an authorised person who may be contacted to discuss any matters stated in this notice.

Name:			
Company:			
Address:			
Town/City:	State:	Postcode:	
Country:	Phone no.:		
Mobile no.:	Fax no.:		
Email:			

### 4. Signature of holder or authorised person:

By signing you confirm that the relevant sections of the *Petroleum and Gas (Production and Safety) Act 2004*, *Petroleum Act 1923* and the *Geothermal Energy Act 2010* and their associated regulations will be complied with, and that the information contained within this notification is true to the best of my knowledge

Print name:		Signature:	
Position:		Date:	
Company:			

**Note:** To submit forms electronically, email [PetroleumHub@dnrme.qld.gov.au](mailto:PetroleumHub@dnrme.qld.gov.au)

Attachment A <b>Map</b>  This map must clearly show: <ul style="list-style-type: none"><li>• Location of the area surveyed</li><li>• Any existing permits</li><li>• Location of any other known wells, water bores, previous surveys and public utilities.</li></ul>	<input type="checkbox"/>
Attachment B <b>Performa</b>	<input type="checkbox"/>

### Additional Requirements

**A copy of this notice must be served on each landowner and occupier of the land within 10 business days after the completion day for the survey.** Tick the box to verify that this requirement has been met.

I acknowledge that a copy of this notice will be served on each landowner and occupier of the land within 10 business days after the completion day.	<input type="checkbox"/>
--	--------------------------

### Disclaimer

The Queensland Government is collecting information provided on this form for the purposes of assessing the suitability of your notice of completion of seismic survey or scientific or technical survey and maintain the public searchable register under section 197 of the *Mineral and Energy Resources (Common Provisions) Act 2014* (MERCPC). Some or all of this information may be provided to other agencies of the Queensland Government for the issuing of an environmental authority, to make register searches, extracts or copies under section 199 of the MERCPC. Some of this information may be provided to Queensland Treasury, the Scheme Manager under the Mineral and Energy Resources (Financial Provisioning) Act 2018 (MERFP Act), or any advisors to the Scheme Manager to enable the Scheme Manager to carry out the Scheme Manager's functions under the MERFP Act. Your personal information will not otherwise be disclosed to any other third party without your consent, unless authorised or required by law.
