Part 15 – Request for Amalgamation

General Law

There are two relevant types of amalgamations:

- amalgamation of lots; and
- amalgamation of interests held by tenants in common.

Amalgamation of Lots

Adjoining Lots Amalgamated into One Indefeasible Title

Section 39(1) of the Land Title Act 1994 enables the Registrar to create a single indefeasible title for two or more lots having the same registered owner. However, the Registrar must be satisfied that special circumstances make it appropriate to have the one indefeasible title (s. 39(2) of the Land Title Act). The Registrar is expressly authorised to act under s. 39 where the lots either share a common boundary or have a boundary that adjoins the same part of a road or watercourse (s. 39(3) of the Land Title Act).

Practice

Amalgamation of Lots

Adjoining Lots Amalgamated into One Indefeasible Title

Section 39(2) of the Land Title Act 1994 provides for two or more lots to have a single indefeasible title if the Registrar of Titles considers this to be appropriate. The intent of the section is to allow the Registrar latitude in unusual circumstances and the section will be used only where it is considered necessary for efficient registry operations.

In keeping with this rationale, it is not intended that this option will be available to registered owners.

For the issue of indefeasible titles for lots created on a plan of amalgamation see part 21 – Plans and Associated documents, esp ¶[21-2300].

Amalgamation of Interests Held by Tenants in Common in Separate Titles

Where separate titles have been created and one tenant in common acquires the interest of another, the following documentation should be lodged:

For a fee simple title:

- Form 1 – Transfer;
- Form 24 – Property Transfer Information;
• Form 25 – Foreign Ownership Information (if applicable);
• Form 15 – Request to Amalgamate; and
• Certificates of Title for all lots affected, if issued.

Those parts of Item 7 of the Form 15 – Request to Amalgamate which are not applicable to this type of amalgamation must be ruled through.

It should be noted that the consolidation of shares already held by a tenant in common on existing titles should be the subject of a Form 14 – General Request.
