

Notification of intention to clear for managing regrowth density under the Managing regulated regrowth vegetation accepted development vegetation clearing code

Vegetation Management Act 1999

This form, or the online notification form, must be completed to notify of your intention to clear for managing regrowth density under the *Managing regulated regrowth vegetation accepted development vegetation clearing code*.

It is recommended that you read the code and obtain a property report for the lot, before completing this form. A report and a copy of the code can be obtained through the department's website or by visiting any of our business services centres. For information on vegetation property report please call 135 VEG or 135 834.

To complete this form you will need:

- location of the area to be cleared
- area intended to be cleared in hectares
- regional ecosystems in the area to be cleared.

1. What is the lot on plan number of the area to be cleared?

For example, Lot: 1 on Plan: RP123456

---	--

11. Vegetation category

Multiple vegetation categories may be selected

Category C

Category R

12. Self-audit

If this is the first notification for managing regrowth density on this lot on plan go to **question 13**

Have you undertaken a self-audit of the clearing undertaken previously, and was the clearing consistent with the code requirements?

Yes – You are required to keep records of your clearing activities and make them available to the Department of Natural Resources, Mines and Energy upon request.

No – You cannot continue until you have undertaken a self-audit. If you need assistance, please contact us.

13. Regional ecosystems in which clearing will occur

At least one regional ecosystem must be listed for each category of vegetation selected in **question 11**.

Category C

Category R

14. Notification area

There are restrictions on the maximum area which can be cleared under this code. This will depend on the category or categories of vegetation selected and whether it is within the South East Queensland regional plan area, a koala priority area or a koala habitat area. Please ensure you have read the code and understand these limitations.

How large is the area to be cleared?

Area in hectares

What is the location of the area to be cleared?

Please attach information on the area that is to be cleared, by **clearly marking** on a map or aerial photograph the area to be cleared.

A vegetation property report (including maps of your property) can be accessed through the website or by visiting any of our business services centres. For information on vegetation property report please call 135 VEG or 135 834.

15. Acknowledgments

Forestry acknowledgements

- Before clearing vegetation on the property, you should contact the [Department of Agriculture and Fisheries](#) on 13 25 23 if:
- there is a profit a prendre registered on title and associated forest consent agreement regarding native forest timber; or
 - the property contains a forest entitlement area on which the State owns the commercial timber rights; or
 - the tenure of the property is not freehold as the State may have commercial timber rights.

Koala protection framework acknowledgements

- Before clearing on the property you should contact the **Department of Environment and Science's Koala team** on 13 QGOV (13 74 68) to ensure that clearing complies with the koala protection framework.

The koala protection framework only applies in the following local government areas:

Brisbane City Council	Gold Coast City Council	Ipswich City Council
Lockyer Valley Regional Council	Logan City Council	Moreton Bay Regional Council
Noosa Shire Council	Redland City Council	Scenic Rim Regional Council
Somerset Regional Council	Sunshine Coast Regional Council	Toowoomba Regional Council (eastern part)

Record keeping acknowledgements

- I acknowledge that I have kept the following items for record keeping purposes as part of this notification:
- evidence of the landholder's consent, where relevant
 - pre-clearing photographs and GPS coordinates of the site that the pre-clearing photographs were taken
 - contractor details (name, address, phone and email contact details), where relevant
 - Instructions to contractors (detailing location, date, time and species), where relevant
 - Self-audit results, where relevant.

16. Declaration

- In submitting this notification, I acknowledge that :
- the information I am supplying is true and correct
 - I have read, understood and will comply with the requirements of the accepted development vegetation clearing code for the activity being notified
 - I am the landholder of the lot to which this notification applies or, where required, I have the consent of the freehold owner or lessee under the *Land Act 1994* to make this notification
 - the information I have provided will be used only in accordance with the Department of Natural Resources, Mines and Energy information privacy statement available at: www.qld.gov.au/legal/privacy/.
