Yes  No

4.4 Has the applicant included a proposed evaluation program for potential petroleum production or storage in the proposed amalgamated potential commercial area and market opportunities for the potential petroleum production or storage?

Yes  No

**Attachments required:**

**Geothermal and Greenhouse Gas Storage**

- An evaluation report for:
  - potential geothermal production or potential GHG stream storage in the proposed application area; and
  - market opportunities for potential geothermal production or GHG stream storage
- A report for or that includes the proposed potential geothermal commercial, or proposed storage area that:
  - complies with the requirements prescribed under a regulation for geothermal or GHG viability reports; and
  - is still relevant to the circumstances of the proposed application area

**Petroleum and Gas**

- (If applicable) A copy of a commercial viability report (or a report that meets the requirements for a commercial viability report) that is still relevant to the area of this application
- Details about the compliance or non-compliance with the conditions of authority
- An evaluation report

**Question 5 – Obligations and declaration**
