

Part A PROPERTY DETAILS	
Street address:	
Mailing address: <i>(if different)</i>	
Licence number:	
Registered bore number:	Bore name:
Type of wetland: <i>Tick applicable</i>	<input type="checkbox"/> Bore drain <input type="checkbox"/> Natural channel <input type="checkbox"/> Flood-out <input type="checkbox"/> Pool/lake
Contact details	
Full name:	
Preferred phone:	Alternative phone:
Email: <input type="checkbox"/> Ticking this box is your consent to receive emails from the department including your licence amendment.	
Privacy statement: This information is being collected as a <i>Water Plan (Great Artesian Basin and Other Regional Aquifers) 2017</i> (section 48) requirement. Only authorised DNRME officers will access your personal details. They will not be disclosed to third parties without your consent, except where legally required. This information will be retained according to the <i>Public Records Act 2002</i> and may be stored in departmental databases. DNRME's privacy commitment is online at www.dnrme.qld.gov.au .	

Part B SITE DESCRIPTION		
Wetland Composition		
Does the wetland include <i>(tick the following)</i> :		
<input type="checkbox"/> Aquatic vegetation <input type="checkbox"/> Open water <input type="checkbox"/> Mudflats: occurring at the margins of sedges of shallow water of lakes or clay pans <input type="checkbox"/> Tall shrubland: found bordering bore drains or those that flow along existing drainage lines <input type="checkbox"/> Woodland: growing along existing creek lines or existing lake beds		
Age of wetland		
Year of bore construction or date of wetland creation:		
Dimensions of wetland (estimate)		
Length (m)	Breadth (m)	Deepest Depth (m)
Length of relevant drain/s supplying the wetland (estimate)		
Drain 1 (km)	Drain 2 (km)	
Flow rate estimates		
Previous (L/s)	Current (L/s)	
Changes to water regime		
Please record any changes i.e. Capping and piping, change in flow rate, new infrastructure		
Date	Work undertaken	Change in flow rate
Distance to the following (estimate)		
Artesian springs (km)	Other waterbodies (km)	Other bores (km)

Location of wetland in relation to other infrastructure and natural features on the property	
Please provide a map to illustrate these features.	
Water quality	
Temperature of flow (Celsius)	Other data:
Additional site description information	

Provide/attach any sources of information relevant to the site: e.g. maps, plant surveys, GABSI or other infrastructure records, water samples or other water quality data, bore reports etc.

Part C ENVIRONMENTAL ASSESSMENT OF BORE-FED WETLAND SIGNIFICANCE

Vegetation

Provide a description of flora e.g. wetland fringing plants: Tall reed beds of <i>Typha</i> and <i>Phragmites</i> , Sedges and/or succulent shrubs less than 1 metre.	Percentage/density of cover (if possible)
---	---

Animals

List any native species or indicator of species (eg. scat, burrows, tracks) found in/around the wetland

Is there evidence of nationally/regionally significant wildlife in the wetland?	Yes <input type="checkbox"/> No <input type="checkbox"/>
--	--

If yes, please describe:

Is there evidence that the wetland supports migratory species?	Yes <input type="checkbox"/> No <input type="checkbox"/>
---	--

If yes, please describe:

Does the wetland contain regionally or nationally significant habitats?	Yes <input type="checkbox"/> No <input type="checkbox"/>
--	--

If yes, please describe:

Does the wetland support populations of weeds or pest animals?	Yes <input type="checkbox"/> No <input type="checkbox"/>
---	--

If yes, please describe:

Is there evidence of grazing animal impacts around the wetland?	Yes <input type="checkbox"/> No <input type="checkbox"/>
--	--

If yes, please describe:

Please provide/attach any sources of information on the relevant to the assessments: (e.g. property surveys, bird lists, animal surveys, reports from monitoring programs.

Part D CULTURAL ASSESSMENT (PROPERTY AND COMMUNITY VALUES OF WETLAND)	
Why is this wetland valuable to you?	
Are the following site attributes important to you or your family?	
Please score the items from 1 to 5, where 1 = low importance and 5= high importance:	
	Provides water for gardening – includes lawns, garden beds, food crops
	Provides opportunity for exercise or recreational activities [swimming, yabbying, fishing, walking, boating]
	Provides opportunity for viewing wildlife/ bird watching /observing the environment
	Contributes to feeling of belonging / connection to the land
	Contributes to a more relaxed, less stressful life /provides a place to get away from it all
	Provides a destination for social gatherings / entertaining – includes family, visitors
	Contributes to character and aesthetics of the place / provides opportunity to appreciate nature
	Provides educational opportunities / place to study nature and/or conduct research
	Provides water to control dust
	Is important for preservation of cultural heritage
	Is important for medicinal use of hot water
	Is important for maintaining family heritage
Which item do you consider to be the most important?	
Are the following site attributes important to visitors to your property?	
Please score the items from 1 to 5, where 1 = low importance and 5= high importance:	
	Provides opportunity for viewing wildlife/ bird watching /conserving the environment
	Provides a destination for social gatherings / entertaining – includes tours, events
	Contributes to character and aesthetics of the place / provides opportunity to appreciate nature
	Provides educational opportunities / place to study nature and/or conduct research
	Is important for preservation of cultural heritage
	Provides water for electricity production
	Is important for medicinal use of hot water
Which item do you consider to be the most important?	
How frequently is the wetland used by you and/or by tourists?	
You	<input type="checkbox"/> at least once a month <input type="checkbox"/> 4-6 times a year <input type="checkbox"/> yearly or less
Visitors	<input type="checkbox"/> at least once a month <input type="checkbox"/> 4-6 times a year <input type="checkbox"/> yearly or less
Is the wetland accessible to the public?	Yes <input type="checkbox"/> No <input type="checkbox"/>

If yes, please describe:	
Are there visitor facilities or infrastructure near the wetland?	Yes <input type="checkbox"/> No <input type="checkbox"/>
If yes, please describe:	
Are there private or regional economic reasons to maintain the wetland?	Yes <input type="checkbox"/> No <input type="checkbox"/>
If yes, please describe:	
Does the wetland have cultural or historical significance to local aboriginal people?	Yes <input type="checkbox"/> No <input type="checkbox"/>
If yes, please describe:	

Please attach sources of information relevant to the assessments below: (e.g. letters from local government or agencies, media articles, aboriginal oral histories or records, historical property records, others)..

Please describe any actions you have or will undertake to sustain the cultural and environmental values of the wetland.

Please describe how you intend to minimise the volume of water provided to the wetland?

Part E APPLICANT DECLARATION

I declare that the information provided in this document is, to the best of my knowledge, true and accurate at the time of writing.
