

2019 Draft Underground Water Impact Report for the Surat Cumulative Management Area – Submission Form

Submissions are being sought from interested individuals and groups about the content of the 2019 Draft Underground Water Impact Report for the Surat Cumulative Management Area (Surat CMA).

This form is also available from the website at <https://www.business.qld.gov.au/industries/mining-energy-water/resources/environment-water/coal-seam-gas/surat-cma/uwir>

Please use this form to make your submission or complete the form and attach a more detailed submission.

How to fill out the submission form:

- Enter the name and address of each person or corporation making the submission.
- Ensure that each person making the submission has signed the form—in the case of a corporation, the sole director or director and secretary or two directors, as appropriate.
- State briefly the issues addressed in your submission and then provide more details or reasoning for raising these issues as you consider appropriate (to do this, please answer the questions on this submission form).
- If you require more space, please attach a more detailed submission and tick the 'Detailed submission attached' box on this form.
- Ensure your submission is received by the Office of Groundwater Impact Assessment (OGIA) by 5 pm, 1 July 2019.
- Written submissions may be delivered by post or email. Submissions should be directed to 'General Manager' and sent by:

Post:

Office of Groundwater Impact Assessment
Department of Natural Resources, Mines and Energy
PO Box 15216
City East QLD 4002

Email:

SuratUWIR@dnrme.qld.gov.au

(scan your signed form before sending it electronically)
