

Native Title Protection Conditions

Form 7 - Clause 6.1(a)

This is an example of a notice required under the Native Title Protection Conditions. An alternate form that complies with the requirements of the Native Title Protection Conditions may be used instead. *The Department of Natural Resources and Mines, Queensland, has produced this form but takes not responsibility for any subsequent unauthorised changes to it.*

INSPECTION REPORT

PERMIT NO. _____ (Insert EP or MDL Number)

Purpose: This form may be used where the **Native Title Party** is required to provide an Inspection Report to the Explorer.

Definitions of some of the terms in this form are in Schedule 1 of the Native Title Protection Conditions.

To:
(Insert Explorer)

From: (Insert Native Title Party Applicants or RNTBC)

For and on behalf of:
(Insert Native Title Claim)

An Inspection Report is attached to this form.

The report shows that the Inspection Zone contains a proposed Exclusion Zone/s. Yes No
(Please Tick)

If yes, the report includes, where relevant:

- maps and GPS coordinates for the location and boundary of the Exclusion Zone/s; and
- recommendations for the protection of the site and management of any proposed Exclusion Zone/s; and
- recommendations for minimising the impact of the Program of Works on the Inspection Zone/s, and avoiding any proposed Exclusion Zone/s; and
- if the Exploration Activities are not Agreed Exploration Activities, recommendations for any monitoring of the Program of Works within the Inspection Zone.

Receipt Date is the date that the notice is delivered by hand or two business days after mailing with correct postage or upon successful transmission by facsimile by 5:00pm or the next day if sent after 5:00pm.

If the Explorer does not receive this report within **20 Business Days** after the end of the Field Inspection, not due to a failure on the part of the Explorer, the Explorer may undertake the Exploration Activities in accordance with the Program of Works as identified in the Exploration Activity Notice.

Note: The Inspection Report must include a warranty from its author that all licences, consents and other authorities have been obtained to allow the Explorer to lawfully use and copy the information contained in this Inspection Report for the purposes of operating under the Native Title Protection Conditions, and copying and distributing this report to any assignee of the Explorer.
